Today's headlines

Today's Paper	Metro	Opinion	Sports	Comics	Crossword
-------------------------------	-----------------------	-------------------------	------------------------	------------------------	---------------------------

Page one

Costs lead officials to pull the plug on Pilgrim

- A downgrade to the nuclear plant's safety rating may have been the final straw for owner Entergy Corp.

Decommissioning Pilgrim could take decades, millions

- The plant's owner has 60 years to close down, according to guidelines, meaning it could be 2079 before radioactivity is at safe levels.

DAN SHAUGHNESSY

The accidental godfather of fantasy sports

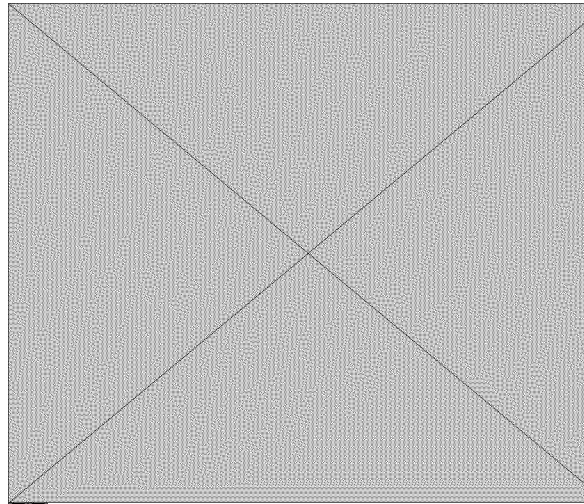

- Dan Okrent regrets the beast that he created. "I feel like J. Robert Oppenheimer, having invented the atomic bomb," he says.

Clinton, Sanders clash over capitalism, gun control in debate

- Economic issues immediately rose to the forefront of the Democratic Party's first debate of the 2016 race for the White House.
-

Walsh seeks rise in developers' fees to expand housing

- [The mayor will ask builders to add to the affordably priced units they build or fund such units elsewhere.](#)

Globe Events

Deck House Redux

- [A new floor plan and a fresh palette prove the stalwart post-and-beam, open concept design is still relevant.](#)

JOAN VENNOCHI

Hillary Clinton wins, with an assist from Bernie Sanders

- Clinton may be nobody's darling, but she can never be counted out.

DANTE RAMOS

EMC sale holds lesson for Mass.

- The state should build its future on the free movement of brainpower, not on today's corporate giants.

JEFF JACOBY

The power to regulate is the power to destroy

- Whether you're a liberal or conservative, beware of complacency when government regulators gore someone else's sacred cow.
-
